Help shape your County's future...

YOUR OPPORTUNITY TO REVIEW AND COMMENT ON THE DRAFT HANCOCK COUNTY FUTURE LAND USE PLAN, THOROUGHFARE PLAN, AND ECONOMIC DEVELOPMENT STRATEGY.

This drop-in style event will be hosted by Hancock County and their planning consultant, Vandewalle & Associates. Participants are welcome to arrive anytime between 6-7:45 to view documents and maps, ask questions, and provide feedback.

What is a comprehensive plan? Comprehensive planning is the process that helps communities discern their goals and aspirations for how their community develops from a variety of different aspects such as housing, land use, transportation, parks, recreation, and infrastructure. It is a policy document that serves as the backbone of local government planning, and which informs a broad spectrum of policy tools ranging from development regulations to public facilities.

Visit the project website, FutureHancock.com, to view the introductory presentation and the Drafts in advance of the Open House! Materials will be posted on the website as early as May 27th.
